OUR SERVICE FLAG

The Huns waited until the season
was closed and then created an Oise-
stir.

The Huns took out 18 Belgian pris-
oners at Vieux Dieu Friday and mur-
dered them.

In planning for an invasion of
Ireland the Huns failed to remember
that it is a long way to Tipperary.

The exodus from Camp Taylor for
Camp Sherman begins this week.
Camp Taylor now has 42,000 men.

Eight hundred thousand more brave
young Americans will enroll their
names tomorrow and answer
"Ready."

In an air battle over Toul Sunday
between 4 American and 6 German
planes, one of each was brought down
inside the enemy lines.

Von Hindenburg is reported back
at the front after a severe illness, but
Gen. Von Hutin is the active leader
in the present offensive.

The Russellville Times will take a
week's vacation this week follow-
ing its "custom" during the hot
months.

Thirty-eight men and officers of
the American expeditionary forces
have been cited by their divisional
commanders in divisional orders for
gallantry.

The Kaiser visited the German
army north of Rheims Thursday, re-
maining until evening, working with
individual commanders and receiving
reports from the battlefield.

Four officers and 20 men are be-
lieved to have been lost on the torpe-
doed American transport, President
Lincoln, returning with a few con-
valescents.

Persistent attacks of British hospi-
tals are being made by barbarian
aviators. Seven hospitals have been
hit since Friday with a considerable
casualty list among patients, work-
ers and nurses.

H. H. Book, a telephone lineman,
was given a judgment for \$12,500
against the city of Henderson. He
was shocked by coming in contact
with an electric light wire while
working as a telephone lineman.

Mrs. Rose Pastor Stokes, wife of
a New York millionaire, has been
sentenced to ten years in the Missouri
penitentiary for violating the espion-
age law, but is out pending an appeal
on a \$10,000 bond.

Berlin makes this boastful claim
which has not been admitted by Gen-
eral: "A Franco-American de-
tail of enormous extent fell into our
hands near Fere-en-Tardenois. Far
more than a million artillery shells
invaluable supplies of pioneer and
telephone materials and more than
a thousand vehicles were captured
there."

Stomach Trouble

Mrs. Sophie Bauer, 521 First Ave.,
North, Faribault, Minnesota, writes:

"I cannot praise your wonderful
medicine, Peruna, enough. It has
done much for me during the past
ten years and I keep it in the house
continually. I was in such a condi-
tion that I could eat nothing but
bread and milk, and even that was too
heavy for me at times. Now, I can
eat anything. I will recommend Per-
una to all my friends."

Those who object to liquid medi-
cines can procure Peruna Tablets.

The doctors are still carving on
Ollie James. They first performed a
major operation, later pulled out
five of his teeth and now have cut
out his tonsils and adenoids, having
at last found "the seat of his trouble."
That being the case haven't they
been doing some unnecessary operat-
ing on the big Senator?

Establishment by shipbuilders of
a new world's record in warship con-
struction is announced Saturday by
Secretary Daniels. The feat was per-
formed in the launching Saturday at
Mare Island, San Francisco, of the
torpedo boat destroyer Ward, seven-
teen and one-half days after the keel
was laid.

Pitcher Grover C. Alexander has
been caught at the home plate by
Miss Amy Arrant, of Omaha. They
were married Saturday. Alexander
is now a soldier at Camp Funston.
He and his bride were childhood
playmates, later attending the same
college.

The American Red Cross second
war mercy fund totals \$166,439,291
with indications that when reports
from the drive of a week ago are tabu-
lated, a \$70,000,000 over-subscrip-
tion of the \$100,000,000 goal will be
shown. The contributors exceed 47-
000,000.

Reports show that 5,076 air planes
have been constructed and put in ser-
vice. Of that number 3,760 of vari-
ous classes were built in the United
States, and most of them are being
used here for training purposes. In
France there are 1,316 machines, 323
of them combat planes.

J.R. Lemon, editor of the May-
field Messenger, is in Little Rock,
Ark., to attend the meeting of the
National Editorial Association, which
met yesterday. The members leave
this morning for Hot Springs, where
the association will be in session the
balance of the week. Headquarters
will be at the Marion in Little Rock,
and at the Arlington in Hot Springs.

Agents of the military intelli-
gence service of New York, have ar-
rested a German named Hans Lentz,
a former employee of the Standard
Oil company, in whose possession
they said they found papers taken
from the files of the company on
which was listed all Standard Oil
ships, with those which had been tor-
pedoed checked off.

GIRL HAS COUSIN INTERNED

Said He Was Trying to Join the Ger-
man Navy.

There is one enemy alien less at
large in the country as the result of
the patriotism of a Bismarck (N. D.)
girl. Frank Peters, alias Peter Han-
sen, has gone to Fort McPherson, Ga.,
for internment in a federal prison
camp instead of doing his bit for the
kaiser as a member of a U-boat crew,
because Miss Mary Burkman was cou-
rageous enough to report him, even
though he was her own cousin.

Peters was arrested as he was about
to board a Northern Pacific train on
the first lap of his journey to Germany.
He had boasted to his cousin that he
would soon be back in the fatherland
serving on one of the kaiser's subma-
rines.

When Miss Burkman assured him
she would not permit him to leave
America for such a purpose, he re-
minded her of their blood ties, threat-
ened her and declared she dare not re-
port him. There was a brief struggle
in Miss Burkman's heart, but it was
very brief and her country won.

MARTIN, THE COLONEL
HOUSE OF FRANCE

William Martin, shown in this char-
acteristic portrait, is one of the most
distinguished of living Frenchmen oc-
cupying a position in our sister re-
public strikingly similar to that of our
own Col. Edward M. House. It is
said that President Polkcare of France
holds him to exactly the same regard
that President Wilson does Colonel
House.

He Got His Wish.
Miss Olive Dent, in A. V. A. D. in
France, tells an amusing story of how
the medical officer was one day ques-
tioning her patients about their appeti-
tes, when one lad volunteered the in-
formation that he fancied a bottle of
Hans, and thought that one per day
would do him the world of good.

"But Hans is jolly scarce out here,
boy," the M. O. reminded him. "I
can't buy a bottle myself at any price.
Simply can't get it."

"Then I'll tell you what to do, sir,"
came the quick and unabashed retort.
"Put me on two bottles a day and I'll
give you one for yourself."

A general laugh followed, and the M.
O. took up the boy's diet sheet and
wrote on it:

"Ale, pints, one."—Pearson's Weekly.

A NERVOUS WRECK

From Three Years' Suffering. Says
Cardui Made Her Well.

Texas City, Tex.—In an interesting
statement, Mrs. G. H. Schill, of this town,
says: "For three years I suffered untold
agony with my head. I was unable to
do any of my work."

I just wanted to sleep all the time, for
that was the only ease I could get, when
I was asleep, I became a nervous wreck
just from the awful suffering with my
head.

I was so nervous that the least noise
would make me jump out of my bed. I
had no energy, and was unable to do
anything. My son, a young boy, had to
do all my household duties.

I was not able to do anything until I
took Cardui. I took three bottles in all,
and it surely cured me of those awful
headaches. That has been three years
ago, and I know the cure is permanent,
for I have never had any headache since
taking Cardui.

Nothing relieved me until I took Cardui.
It did wonders for me."

Try Cardui for your troubles—made
from medicinal ingredients recommended
in medical books as being of benefit in
female troubles, and 40 years of use has
proven that the books are right. Begin
taking Cardui today. NC-134

Shade Trees as Fuel.
Prophetstown, Ill.—Shade trees here
next summer will be a scarcity. Hun-
dreds of them have been cut down to
relieve a fuel famine. The town for a
time was without firewood or coal.
